

CON MI FAMILIA

SEASONAL COURSES BOOK SUGGESTIONS

¡Hola familias!

Spanish reading for any season! I love having these books to rotate throughout the year as the seasons change. I am incredibly grateful to have you in my seasonal mini-course! Whether this is the very first course you've ever taken with me or you have taken almost all of them - I am so honored to be a part of your Spanish learning.

Here is a list of books that we will be reading together during our seasonal mini-courses of Con mi Familia! Remember, you *do not need* to purchase these books but some families may like having copies they can read together to have their very own Spanish Story times at home. *These are all books that *beginning Spanish speakers can read*, I chose these so that you will be able to read them to your little ones without stumbling over words- don't be intimidated!*

If you already speak Spanish at home and you want a list of the more complex Spanish books that we will be reading together during story time videos, see additional books at the end of this list!

These books link to Amazon Affiliate links, if you want to shop a different platform that supports independent book stores, you can also find them here at Bookshop: [Seasonal Spanish Books- Bookshop Links](#)

Please reach out if you have any questions and I hope you enjoy reading these books with your children as much as I do!

Saludos,
Naomi
